GRADE 6 ADVANCED PRESENTATION SKILLS

Last Thursday we held the Grade 6 Advanced Youth Presentation Skills Graduation Night which is always a highlight of our school year. The program is certainly challenging and requires a degree of resilience and persistence from children as they learn speech preparation and delivery techniques, accepted protocols and develop the confidence required, to give a credible and convincing presentation. The growth in students from the beginning of the program through to the Graduation evening is immense and each and every student can feel proud of their accomplishments. Congratulations Gaters and also a big thank you to Mrs Sandra DeGeest who facilitated the program and of course our teachers Miss Hartnett and Mr. Eimermacher who always provide amazing support to assist students to achieve their personal best.

WORKING BEE THANK YOU

A big thank you goes to the Lim, Salamone, Palli, Zartheva, Praveen, Connors, Parker, Owen, Short, Penney and Schwarz families who were able to attend our recent (very wet and cold) Working Bee. Lots of hands made the tasks easier and we were able to achieve a lot of small jobs including spreading tan bark, weeding garden beds, sweeping paths and clearing out the storm water pits. Your time and effort is greatly appreciated.

RETIREMENT

After 28 years as a teacher at Mountain Gate, Mrs. Sue Young has announced her retirement. Mrs. Young has been an outstanding classroom teacher, Leading Teacher and more recently Literacy Specialist. Students, teachers and parents have been encouraged, enriched and supported by Mrs. Young throughout her career in education and we wish her a wonderful retirement and thank her for her fabulous contribution to our Gater community.

END OF TERM

How did we get to the end of Term Two so quickly? What a brilliant term we have had - absolutely full of engaging learning experiencing and extra-curriculum activities. As a learning community we should be incredibly proud of what we are doing at Mountain Gate.

Tomorrow (Friday 28th June) is the last day of term and students will be dismissed from their classrooms at 2:30pm. **School recommences on Tuesday 16th July.**

On behalf of our teachers I thank you for your continued support and hope you have the opportunity to spend time with friends and family over the school holiday break.

Go Gaters – together we are better!

WINTER SPORTS RESULTS

On June 14th Mountain Gate competed at the District Winter Sports Carnival. Each team played 2-3 games with the team finishing on top of their pool qualifying for the Division Finals next term. Students competed in Soccer, Netball, Teeball and AFL football with varying results. All of our students continued to represent Mountain Gate in a way which boasted good sportsmanship and a competitive spirit.

A special congratulation goes to the boys and girls soccer teams who qualified to participate at the Division finals held on 24th July as well as our Netball girls team who also finished on top of their pool and will be competing at the Division finals on 23rd July. Notices for these events will go back the first day of Term 3 and students are able to hold onto their sports top until the event. Well Done Gaters!

EMR CROSS COUNTRY

On Tuesday 18th June Mountain Gate had 8 students compete at the Eastern Metropolitan Region Cross Country Finals. Students competing had successfully qualified from finishing in the top 12 at Division Athletics.

Our students had to face tough conditions at Yarra Glen Racecourse, with chilly temperatures and patchy spurts of rain. Our students came up against some of the largest schools in the East and held their own throughout their races with all of our students improving on their personal best times.

Each race had approximately 100 competitors and I am more than proud of how all of our students conducted themselves during the competition. Well Done Gaters!

GIRLS FOOTBALL

On Friday 21st June Mountain Gate competed at the Division Girls Football Carnival. A record 26 schools competed on the day and were divided up among 5 pools. Mountain Gate was placed in a pool against Lysterfield Primary School, St. Bernadettes, Regency Park and Kent Park.

It was a cold and rainy day but it didn't dampen our girls spirit to get their hands dirty and play some tough, hard 'Gater' footy. Our first game we came up against a tall Lysterfield team where our girls tackled hard and defended well for most of the game but allowed a single goal through to have us narrowly miss out on a win 6 – 0. Kiara Wood-Dawson provided us with some outstanding tackling and hard ball gets in the loss.

Our second match we continued to grind our way through tough conditions against St. Bernadettes with Georgia Newton, Laura Giles and Leilea Cocker working tirelessly through the midfield. After a really tight arm-wrestle St Bernadettes managed to score a single point defeating us 1- 0.

After 2 tough losses changes were made as we put Maddie Block, Lilly Young and Marlie Moloney as added numbers into our Midfield. Maddie provided an amazing run from the midfield delivering the ball into our forward line as we registered our first goal of the game. Forwards Teisha Banfield, Trista Campbell and Tiarna Handley worked hard to keep the ball in our forward line with our first goal of the day coming from a holding the man free kick paid to Trista Campbell. We defeated Regency Park 8 – 0.

With a win on the board our girls were keen to taste success again especially against Kent Park. With added oomph in the midfield our girls were eager to continue our good fortune. In a game that was largely played in Kent Parks forward line our backs led by Chloe Vethecan, Emily Bishop, Emily Gray and Zoe Hunter held off Kent Parks relentless attack on goal. With less than a minute remaining the girls produced their best passage of play with a mark by Leilea Cocker who delivered to Georgia Newton who kicked us a match winning point in the dying seconds as we won 1 – 0.

After finishing 2-2 in our pool games we were hopeful that we had done enough to finish in the top 2 by percentage by a tie between Kent Park and St Bernadettes meant we finished 4th in the pool and missing out on finals.

Our girls played a consolation match against Belgrave South which we drew 6 – 6 thanks to a goal from Lilly Young.

Thank you to all the parents who came down and showed their support and to Mrs. Banfield who helped as assistant coach throughout the day.

SENIOR HOOPTIME

Trials have been underway for our Grade 5/6 students as they prepare for the Senior Hooptime competition to be held at Dandenong Stadium on 25th July. Notices for this event will go home on the first day of Term 3 and it is important that notices come back as soon as possible. We will require parent helpers to assist with our teams on the day and I would love to see you there. An expression of interest will be available on the notice if you are interested in coaching or scoring. Remember no experience is necessary. Thank you.

REPORT OF THE YOUTH LEADERSHIP GRADUATION NIGHT ON 20th JUNE 2019

Congratulations to all the year 6 students who graduated from the Advanced Presentation Skills Youth Leadership Course on Thursday 20th June. All students impressed their teachers and families with a very high standard of Prepared Speeches, Off the Cuff Speeches and Evaluations. The Audio Visual presentations were also of a very high standard and perfectly timed.

50 students were awarded certificates of completion on the night. Trophies were awarded to:

	Best Speech	Best Off the Cuff Speaker	Best Evaluator	Most Improved
6H	Laura Giles	Levi Bramley	Brodie Wilson	Kiara Wood-Dawson
6E	Mahta Moradiamani	Zoe Hunter	Jared Darren	Emily Gray

Laura's speech was called "Does Gender Matter?" and was 100% memorized. Mahta's speech was "My Autobiography", and incorporated all of the skills we had been practicing in class including eye contact, use of props, gestures and vocal variety.

Special thanks to both the Master of Ceremonies, Johan Baroni and Lucy Mactaggart for their fine efforts, and to the Off the Cuff Presenters, Benjamin McDonald and Chloe Vethecan for their excellent work. This year the students entertained us by solving the rubix cube puzzle in less than 60 seconds, by telling some very funny jokes and by reciting a poetry piece called "Sister Stephanie and the Gang". These certainly added to the mood of the meetings.

A very big thank you to Miss Hartnett, Mr Eimermacher and Mrs Blick who encouraged and supported the students work and helped make the evening a success. The graduation reflected the hard work and growth over the eight week period, with confident, passionate speeches and also great use of humor. Congratulations to all of our Gater's brave efforts in controlling their nervousness, giving generously of themselves and demonstrating their resilience and persistence.

Mrs Sampson and two audience members (Joel's Dad and Tim's Dad) responded to "Off the Cuff" questions. We thank you for your participation.

Thank you for my beautiful flowers. The team efforts of the students and teachers alike was much appreciated. I have enjoyed being entertained with many interesting stories. I hope all participants enjoyed the whole experience as much as I did. You certainly did yourselves, your families and your school proud.

In finishing, I would just like to thank all the families for their support of their students, the school and this program. I hope that this training stands all students in good stead for their future.
